Hi Catherine – I wasn't at this June GLEC meeting in-person but during the discussion of the Progress Report of the Parties Carla and Chris identified that GLEC Member input was due by June 10<sup>th</sup>. If you do have comments as a public observer to the GLEC please do forward them by June 13<sup>th</sup> the latest for consideration. We're working on a very tight timeline.

If you have any other questions re. the Report pls let me know. I've cc'ed Carla and couple members of the US GLEC Secretariat who I'm sure will correct anything I may have misheard while on the webinar.
